"What makes Pusherly look so blue and down in the mouth?"
"He's got a fine business proposition but can't make it go."

"He's mapped out a splendid advertising campaign, but he can't get money enough to make an article to put on the market."

And now the wily candidate
Does roam about the land,
And grasp the weary voter by
His sturdy, strong right hand.
But when the votes are in the box
And totals all are taken,
'Tis not the sturdy voter's hand
But the voter that is shaken.

OVER THE NORTHWEST.
Mandan, N. D.—After a great deal of suffering, Mrs. J. E. McNeVins died on Wednesday forenoon, September 14. Mrs. McNeVins was born at Blairsville, Pa., in 1856, and was married in 1877. Two years ago it was first ascertained that she was suffering from cancer. She tried various specialists, including Dr. Kruger, of Epiphany, S. D. Six weeks ago she returned from St. Paul, where she had been under treatment of Dr. O'Keefe. She has been confined to her bed ever since her return from St. Paul. The funeral took place on the 16th inst. Mrs. McNeVins was a member of the Lady Macabees and had a large circle of friends and acquaintances throughout this section, all of whom will extend to the devoted husband and relatives words of sorrow in their bereavement.

wedding breakfast. Mr. and Mrs. Collins left Thursday for a short wedding tour. They will be at home, corner Eighth and Willis streets, St. Paul, after September 25.
Ellsworth, Minn.—Wednesday, September 14, Father McConnell was unexpectedly called to Winona by the bishop, who has another parish for him. As the time is now short until Father Hartleb's return, St. Mary's will be supplied by Father Welch, of Luverne.
Prescott, Wis.—Mrs. Nellie Callahan, wife of M. Callahan, died Saturday, September 10, at the home of her father, Michael Finn, in Forestville, aged 23 years. The funeral was held from St. Bridget's church in River Falls the following Monday. She leaves her husband and a little son.
Butte, Mont.—Resolutions roundly denouncing Mrs. Ida Crouch Hazlett, the Socialist lecturer who has been harranging from the street corners for the past month, were adopted Monday night at a meeting of the Butte Clerks' Protective union. In her street addresses Mrs. Hazlett has attacked several of the large stores of Butte and also let loose her vials of wrath upon the Clerks' union. According to members of the union the action last night was taken to protect the stores who have always been friendly to union labor and to clear the good name of the union from the accusations of Mrs. Hazlett. Following is the conclusion: "Resolved, That this agitator and fault finding would be more creditable if she would devote herself in her home city of Denver to increase the wages of store employees there, instead of making a public exhibition as a common scold on the streets of Butte, where wages in commercial houses on an average rate much higher than in any other city in the country. Such methods can have no other aim than to furnish an excuse for some employers to utilize a Citizens' alliance mask to destroy conditions in Butte, and misguided emotionalists will by such tactics do more harm than any good they ever accomplish."

William and Jerry Condon, of Winona, and Edmund Condon, of Newburyport, Mass. The funeral was held at 9 o'clock on Tuesday morning from the pro-cathedral, and the interment was in St. Mary's cemetery.
Wabasha, Minn.—A very pretty wedding was solemnized at the church of the Immaculate Conception, Highland, Wednesday morning, September 14. Patrick Conroy, of St. Paul, and Miss Maude McDonough, daughter of Mrs. Miles McDonough, of Cooke's Valley, were the contracting parties, and Father Griffin the officiating clergyman. Miss Mae Holland, niece of the bride, was bridesmaid, and Miss Kittle Drury, of this city, also a niece of the bride, was maid of honor. Thomas Conroy, brother of the groom, was best man. A nuptial high mass followed the marriage ceremony. Mr. and Mrs. Conroy took the evening train for St. Louis, where they will spend several days at the fair. On their return they will go to house-keeping at 962 Reaney avenue, St. Paul, and will be at home to their friends after October 15.
Hudson, Wis.—While trying to couple the separator and engine of Christ Fabel's threshing outfit, near this city, Herbert Murphy lost his life last Saturday evening. The engine was being backed up to the separator and Murphy was holding the pole of the latter to couple the two; he missed the coupling and the engine backed against the footboard, crushing his head in the collision. Herbert Murphy was a young man about 18 years of age and formerly resided at Hudson.
Stillwater, Minn.—Thomas Doyle, a resident of this city for many years, died Wednesday evening of paralysis. He was 55 years old. A widow and five children survive him.
Helena, Mont.—The labor and populist conventions adjourned Wednesday afternoon after having indorsed the nominees on the Democratic state ticket. The Populists indorsed the Populist electors on the national ticket, and the labor convention did not indorse or nominate any presidential electors. The labor men had an interview with Gov. Toole, who promised them that if they would indorse every man on the Democratic ticket he would pledge himself to accept an election for United States senator.

Last week's "Beresford News" says that Father O'Neill is planning to have a new Catholic church built, and if nothing interferes it will be up before cold weather sets in. A new parsonage is also to be built and the old parsonage will be sold and removed to give place to the new one.

Father Luig, of Scotland.
Died.—Our Black Hills correspondent writes of the death of Mr. Geo. H. Riley, a pioneer and veteran assayer of that region, which took place at his home in Gayville on the 11th inst. as the result of a stroke of paralysis. Deceased came to the Hills country in '77 and took up his residence at Custer after leaving the U. S. navy during the time of the great gold excitement. He was a native of New York city and in early manhood moved to Fond-du-Lac, Wis., with his parents and in '63 left that city to enlist in the navy. After a few years residence at Custer, he proceeded to Rapid City, where he was employed as chief assayer at the State School of Mines until '92. Two brothers, viz., John Riley, of Fort Worth, Texas, and William, of Appleton, Wis., also two sisters, viz., Helen Riley, of Fond-du-Lac, Wis., and Mrs. McCabe, of Chicago, are left to survive him. Callan, who live on a farm two miles west of Mitchell, are mourning the loss of their three-year-old son, whose life was suddenly crushed out by falling from a loaded wagon on the afternoon of the 14th inst., the hind wheel passing over his head. The father of the little lad was in town when the accident occurred. The funeral services were held at the Holy Family church at 10 o'clock Friday forenoon and were conducted by the Very Rev. J. J. Shea, P. R. A vast crowd of the friends and neighbors of the Callan family were present at the obsequies and accompanied the remains to their last resting place in the Catholic cemetery.

Died.—Mrs. Nels Anderson, daughter of Mr. and Mrs. Peter Huber, died at Yankton on the 14th inst., and in the 30th year of her age. Deceased had been in poor health for the past year, so that when the end came it was not unexpected. The Huber family has been called upon to mourn the loss of three daughters in the past three years, two within a month, and the deep sympathy of their numerous friends in Yankton county, where they have resided for over a quarter of a century, will be extended to the bereaved ones in their deep sorrow. A husband, Nels Anderson, and two little children, aged 4 and 2, also Mr. and Mrs. Peter Huber, the parents of the deceased, and four brothers and five sisters are the immediate surviving relatives. The funeral took place from the Sacred Heart church on Friday forenoon, Rev. Laur. Link officiating.

SOUTH DAKOTA.
Died.—The death of Mrs. Mary Skelley, a pioneer settler of McCook county, is reported from Bridgewater, the sad event having taken place on the evening of the 11th inst. Deceased, whose maiden name was O'Brien, was born in Ireland 78 years ago and in her early girlhood came to America with her parents and settled in Ohio. There she married her present aged and sorrowing husband, Michael Skelley. Soon after this good couple moved to Bluffton, Iowa, where they remained until '80, when they went westward and located on a government claim in McCook county, eight miles northeast of Bridgewater. Of their union eight children were born, three of whom, with their father, are left to mourn the loss of a fond mother and true wife.
